

Unstop Registration Fee Refund Audit & Candidate Transition Report

Consolidated dossier of participants whose Unstop gateway payments were refunded following the strategic transition to the official **techfest26.in** platform.

EXECUTIVE AUDIT NOTICE: Due to the migration of festival registrations to the internal centralized portal (<https://techfest26.in>), all initial payment transactions collected on Unstop were initiated for complete refund back to the respective candidates. This document serves as the official financial ledger of all **7 refunded registrations** (representing **16 total student participants** and **Rs. 6,988.00 in total refunded capital**). The Reception & Outreach Calling Desk is directed to contact each team lead listed below to confirm receipt of refund and guide them through re-completing registration directly on **techfest26.in**.

4. Standard Operating Procedure (SOP) for Outreach Calling Desk

CALLING PROTOCOL WORKFLOW:	
Step 1: Receipt Verification — Inquire if the candidate has seen the refund credit in their original bank/UPI account.	
Step 2: Transition Guidance — Explain that all competitive submissions, rulebook updates, problem statements, and slot allocations are strictly hosted on techfest26.in.	
Step 3: Registration Re-Confirmation — Guide the student to open techfest26.in, navigate to their respective event, and complete the official festival check-in.	
Step 4: CRM Logging — In the techFEST Admin Tracker, click 'Re-Call' or open candidate drawer to log call outcome (e.g., Payment Promised on techfest26.in, Callback Requested, etc.).
